Professional Contract Management Training System

**TRAIN THROUGH THE FULL
CONTRACT LIFECYCLE**

From Contract Knowledge To Contractual Reasoning

PASS THE FCCM EXAM

USING A STRUCTURED THINKING SYSTEM

20 EXAMS · 7 STAGES · REAL PROJECT SIMULATION

Professional Contract Management Training System

Justice Academy

FCCM is NOT a Normal Exam

-  250 min
-  100 Questions
-  Open Book
-  Decisions

It's not about knowing.

It's about thinking under pressure.

Why Candidates Fail

You studied FIDIC.

But in the exam:

- You hesitate
- You doubt your answer
- You fall into traps

Because the exam does not test knowledge.

It tests how you apply it.

THE REAL DIFFERENCE

THE EXAM FOLLOWS A PROJECT LIFECYCLE

CONTRACT → TIME → MONEY → CLAIM
→ DISPUTE → CLOSE-OUT

FCCM QUESTIONS ARE NOT RANDOM.

THEY FOLLOW THE SAME SEQUENCE AS
REAL PROJECTS.

IF YOU DON'T SEE THE FLOW...

YOU LOSE THE LOGIC.

THE SYSTEM:

A SYSTEM BUILT FOR FCCM

EACH STAGE IS TRAINED USING:

CONCEPT → UNDERSTAND THE RULE

TRAP → IDENTIFY COMMON MISTAKES

THINKING → APPLY STRUCTURED REASONING

THIS IS HOW YOU MOVE FROM THEORY
TO REAL CONTRACTUAL DECISIONS.

20 EXAMS · **7** STAGES · REAL PROJECT SIMULATION
